Information For Patients

Please bring to your appointment:

1. Information to complete a health history including physician information
2. Name and doses of all medications
3. Dental Insurance Information and state issued identification, and form of payment

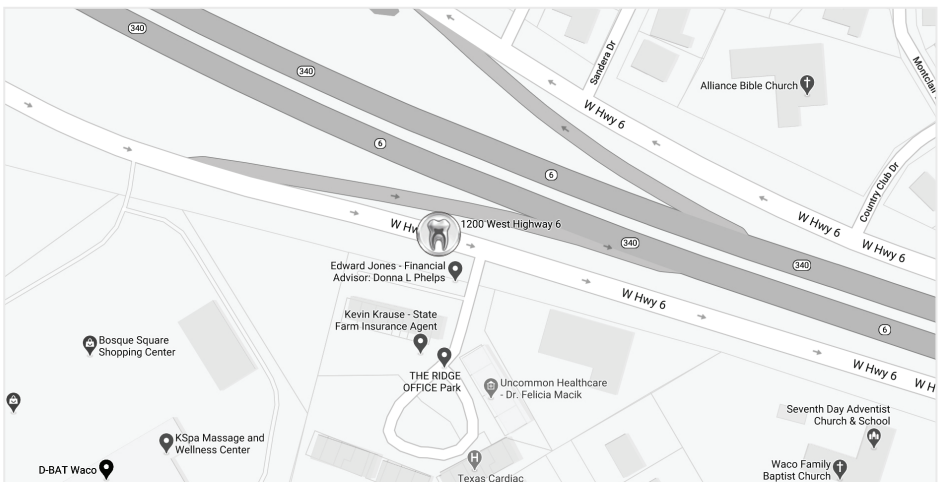

Please visit our website or call to:

1. Learn more about endodontic treatment
2. Discuss your visit or appointment length
3. Review Dental Insurance information and financial policies

If you require antibiotic premedication:

Due to artificial joints or heart defects, please obtain the necessary prescription from your dentist and take as prescribed before your appointment.
