

ESSENTIAL  
ENDODONTICS

## MEET THE DOCTOR

Dr. Kendra Clark received her Bachelor of Science in Biology as a student athlete from the University of Southern Mississippi. She completed her PhD in Basic Medical Sciences at the University of South Alabama.

## Kendra Clark, D.M.D. PhD

Dr. Clark then attended the University of Mississippi Medical Center to obtain a Doctor of Dental Medicine. While in dental school, she participated in cell regeneration research and presented her findings at numerous professional meetings nationally and internationally. Dr. Clark moved to Dallas in 2018 to attend Texas A&M Baylor College of Dentistry Graduate Endodontic Program. While in residency, Dr. Clark served as Chief resident, provided supervision to dental students in preclinical laboratory and published her research in the Journal of Endodontics. Dr. Clark is currently a board-eligible candidate and is pursuing her goal to become a Diplomate of the American Board of Endodontics. In her free time, Dr. Clark enjoys traveling and spending time with her family.
